## **Murray Construction Celebrates 5 Years in Tyler**

**TYLER, Texas, January 28, 2008** -- Murray Construction of Tyler is celebrating its 5<sup>th</sup> Anniversary.

Murray Construction has been providing industrial general contracting, concrete subcontracting, structural steel, and custom steel fabrication services throughout the East Texas area since January of 2003. Murray Construction also provides pre-engineered metal building services through their affiliation with VP Buildings, in addition to their commercial, industrial, and institutional concrete and custom steel fabrication services.

“I would like to express my most sincere thanks and gratitude to our clients, customers, suppliers, vendors, subcontractors, and employees for the past five years,” said Tony Murray, President/CEO of Murray Construction. “I look forward to the future and am excited about the continued opportunity to provide quality commercial and industrial construction services to the East Texas area,” he continued.

Murray Construction clients have included Trane Company, Vesuvius USA, TxDOT, Posado’s Café in Lindale, Tyler Junior College, Tyler Independent School District, Anderson County Correctional Facility, Guaranty Bank, Lindale Corners Shopping Center, Broadway Square Mall and numerous General Contractors in Tyler, as well as the Dallas-Ft Worth area.
